

\$1,395,000 - 14783 3A Highway

Listing ID: 2430561

\$1,395,000

3 Bedrooms, 3 Bathrooms, 0.51 acres
Single Family

14783 3A Highway, Gray Creek, British Columbia, V0B1S0

This Custom, owner built home was built with a total attention to detail, family living with recreation in mind. Entry level main floor with hand etched cement fireplace, cork floors and an open floor plan, Kitchen and Great Room and expansive covered balcony over looking the Kootenay Lake and Selkirk mountain range, Master and guest bedroom each with bath, laundry room and an exercise room off the garage, Loft with open plan sleeping area. One floor below is the family room and another master with full bath and another expansive balcony with the pool room, bar, media room and an office. To complete the experience the lower floor is open floor plan to store the toys, boats, quads bikes and anything that you have to experience the great outdoors can be kept in this area, with two garage style doors to enter and exit and all of the room you would want and a workshop in the middle. Walk out to the beautifully landscaped grounds that roll into the pebble shoreline, fire pit, and dock, for complete enjoyment of the beautiful lake. This home was built with Arxx Styrofoam poured concrete walls up all three levels and stairs, with Acrylic Stucco for a total maintenance free building envelop.
